

Financial Confidence & Coaching Program for Students, Parents & Families

Free financial coaching is available for students or parents of students in Massachusetts who are interested in improving your financial situation & becoming more knowledgeable about:

- better managing your debt (including student loans)
- dealing with creditors
- creating a workable budget
- realizing savings
- understanding and improving your credit score

Free & Accessible

This FREE, remote program will match you with a Financial Coach staff member, who will work with you "one-on-one" -- by phone or Skype -- for up to three, one-hour sessions designed to help you on a wide range of issues, providing support, resources and accountability. You can "meet" from the comfort of your own home.

Convenient & Confidential

Our fully confidential coaching services are available during the daytime, evenings and weekends to accommodate your busy schedule, and are currently offered in English, Spanish, Somali and Armenian. Our coaches will ensure highly-personalized support, a safe space to ask questions, and help point participants in the right direction for high-quality, trusted resources and/or referrals.

Trained & Knowledgeable Coaches

Our trained coaches are certified by the Association for Financial Counseling, Planning & Education (AFCPE) and have advanced skills in the coaching method, a strengths-based, non-judgmental approach designed to provide support and guidance, while helping you define and take steps toward realizing your financial goals.

**For questions or to sign-up: call The Midas Collaborative toll-free at 1-855-721-7575.
Or sign-up online and find additional resources at www.MassSaves.org.**

The Financial Confidence & Coaching Program is designed to help Massachusetts residents build their financial health through personalized support and resources. The program was created by The Midas Collaborative (www.MassAssets.org) and is promoted by MassSaves, a multi-sector coalition led by Midas with a mission to support quality financial education across the Commonwealth.
